Kealy's News

Kealy's News is a weekly publication of the Kealy family, published in New York City.

The first issue of Kealy's News was published in 1926. It was a small, hand-printed newspaper that contained news, advertisements, and family announcements. The publication was a labor of love for the Kealy family, and it continued to be published for many years.

Over the years, Kealy's News grew in size and scope. It began to include more news stories, and the advertisements became more prominent. The publication also began to cover local events and sports.

Kealy's News was a popular publication in the New York City area. It was read by many people, and it was a source of information for the community. The publication was a testament to the Kealy family's commitment to their community and their heritage.

Kealy's News was published weekly, except on Sundays and public holidays. The subscription price was \$1.00 per year in advance. Single copies were sold for 10 cents.

The publication was owned and operated by the Kealy family. It was a family business, and it was a source of pride for the family. The publication was a way for the family to share their news and their views with the community.

Kealy's News was a small but important part of the New York City newspaper landscape. It was a publication that was loved by many people, and it was a source of information and entertainment for the community.
